

Trinity Health Michigan and Universal Health Services Break Ground on Southridge Behavioral Hospital

New hospital in Byron Center, MI on schedule for 2025 opening

King of Prussia, PA and Grand Rapids, MI – June 5, 2023 – Southridge Behavioral Hospital, the joint venture partnership between Universal Health Services (NYSE: UHS) and Trinity Health Michigan, held a groundbreaking ceremony today. The new Southridge Behavioral Hospital will be located at 2145 64th Street SW, near the Trinity Health Medical Center in Byron Center, Michigan.

“Southridge Behavioral Hospital will help address the growing need for high quality mental and behavioral health care services for people struggling with depression, anxiety, substance use and other issues, and who need hospitalization and intensive individualized care,” said Matt Biersack, MD, president of Trinity Health Grand Rapids. “Southridge represents a sustainable, long-term solution and it will be a key piece of the behavioral health care continuum in West Michigan.”

“Demand for high quality behavioral health continues to increase across the U.S. as a result of many factors including the pandemic. We are proud to work closely with Trinity Health to bring forth a solution to this issue,” said Kerry Knott, Divisional Senior Vice President, UHS. “Today’s ceremonial groundbreaking brings us one step closer to impacting the behavioral health needs of this community. This best-in-class inpatient facility will be a safe space where healing can begin. We are eager to proceed and deliver on our promise to bring new, enhanced behavioral health services to West Michigan.”

On track to open in 2025, the new Southridge Behavioral Hospital will accommodate up to 96 beds, serving adult and geriatric patients. It will employ approximately 170 full-time and part-time staff including physicians, nurses, therapists, mental health technicians, administration, dietary and housekeeping personnel. Programming will be tailored to individual patient needs, with core psychiatric services and counseling supplemented with art therapy, music therapy and outdoor activities.
